QUINTESSENTIAL ESCAPE; GARDEN IN LEE GARDENS

Club Avenue celebrates 15th Anniversary with an expansion aiming to provide unparalleled privileges that offer prestigious services to its members. The brand new Club Avenue incorporates light, stone, lines and plants as key elements to create a relaxing ambience. With an aim to bring the outdoors inside, the VIP room recreates an exquisite garden. It's single-sided floor-to-ceiling windows let in an abundance of natural light, injecting vitality and openness. The earth-toned ceilings, interior, furniture, colored stones and glass coupled with handmade bronze accents and lush greenery work harmoniously together and lend itself to a layered yet natural landscape. One can delight in the verdant and natural atmosphere once you step foot into the third floor of Lee Garden One. The VIP area is separated into two distinct areas—Lan and Fong—to commemorate Mrs. Lee Wong Lan Fong's relentless support of founder, Mr. Lee Hysan, during the development of the Lee Gardens Area. There is also an exhibit of the works of literary scholars from Bei Shan Poet Society, formed in the 1920s Lee Gardens, reflecting the importance of preserving our culture heritage.

Club Avenue offers an array of services. In addition, members can enjoy professional tailoring services while shopping in the Lee Gardens Area. Club Avenue is the Secret Garden within Lee Gardens. Its comprehensive services provide a sense of familiarity and warmth and offer momentary reprieve from the hustle and bustle of the city. It is a place to recharge the soup—a private Eden that will leave you longing for your next return.

藉著 Club Avenue 成立 15 週年，為會員提供更多特別待遇及尊尚服務外，利園更特別採用「光」、「石」、「線條」及「植物」等為重點元素打造了全新的 Club Avenue——貴賓室設計概念源自花園，透過單邊落地玻璃盡收戶外自然光，予人活力及開揚感，配合大片大地色系天花、牆身、傢具，加上彩石、玻璃、以人手打磨的仿古銅，以及在不同位置加入綠色植物，營造出層次感與自然共融的景色，令人甫踏進利園一期 3 樓頓然感受到花園與自然的氣息。貴賓室特別劃分為「蘭」及「芳」兩個區域，以紀念利希慎夫人利黃蘭芳女士對於創辦人利希慎在建立利園區事業上的支持，內裡亦陳列了由 1920 年代起活躍於利園山上北山詩堂的文人雅士創作，滿載對於文化承傳的憧憬與展望。

Club Avenue 提供不同類型貼心服務，讓人有回家的溫暖感覺外，內裡同時設有改衣專用試身室，讓會員在利園區購物同時可享受專業的改衣服務，賓至如歸。Club Avenue 就有如利園入面的「秘密花園」，稱心服務讓人有回家的感覺，得以逃離鬧市的煩囂，為身心靈補充能量，更讓人期待下次再踏足自己家的花園。

THROWING SHADE

Nothing wields greater power over your outfit than trendy eyewear for summer. Whether you opt for the widely popular oversized style which softens the face, a retro pair with strong geometric frames or ones with vibrantly tinted lens, that perfect pair will instantly make a bold fashion statement.

提起炎夏必備的潮流單品，是太陽眼鏡相信無人異議。大熱的 Oversized 鏡框就備有修飾面形作用，加上多邊形設計、別具玩味的鏡片顏色，時尚感大增。

GLAM UP YOUR LOOK

Many labels are offering a range of fresh new handbag silhouettes. The bucket bag's functional structure has transcended seasons, while woven baskets offer a more sophisticated flair. Micro bags come in a variety of textures that add a distinctive touch to casual or on trend ensembles.

As we enter the hot humid months of summer, the luminous cushion compact's versatility and portability have solidified its position in our makeup bags. Owning the perfect lipstick shade is equally imperative. Although the iconic matte-red lip never gets old, plum, peach and tea-colored shades are go-tos for everyday looks. Bag them all — because one can never have too much lipstick.

踏入潮濕炎熱的夏天，便於攜帶、方便使用，同時擁有高保濕度、輕透妝感的氣墊粉底成為化妝袋的核心成員；除了歷久常新的啞緻大紅唇色，今夏亦流行莓紅、蜜桃以及偏棕色調的奶茶色，相對易於配搭，全數入手絕不過份。
